

Curves®

66% discount!

Curves of Benton Township and Bridgman are offering the State of Michigan employees a **66% discount** off their one time service fee.

Curves offers women an atmosphere where they can feel comfortable, as well as the ability to do a complete cardio-vascular and strength-building workout in about 30 minutes. Spend another 5-10 minutes stretching out and you're good to go. Just three times a week can help build and maintain muscle strength and help with weight loss.
